

Introducing Patina

Available at the same cost you pay for primary care with your Medicare plan today!

At Patina, we believe in healthcare that empowers you to live fully, independently and with dignity at every stage of life.

We've reinvented primary care to profoundly improve health and the aging experience for adults 65+.

We get to know you. Build relationships. Understand your goals. Create a care plan tailored to you — so you can do more of the things you love.

Happy patients

Every day, patients tell us they'd recommend Patina to family and friends, awarding us near-perfect ratings on online review sites and our own satisfaction surveys. Read them at patinahealth.com/reviews

Patina patients share their experiences

"Previously, I was being treated by a rotating cast of physicians who didn't take time to know me. Patina takes a totally different approach. I feel seen and secure that they'll be there when I need them."

- Dave

"I have complete trust in my care team. I honestly believe they have my best interests at heart. It just makes you feel good that somebody cares for you..."

- Loretta

You deserve a better healthcare experience.

Enjoy primary care that comes to you — designed especially for people 65+.

Appointments available now!

Get care that's built around YOU...

Personalized. Convenient. Comprehensive.

- ✓ A dedicated team that gets to know you and stays with you over time
- ✓ Care tailored to your unique needs, goals and values
- ✓ One place to go for any health-related need — coordination, navigation and a whole lot more
- ✓ 24/7 support and easy, on-demand access to your care team
- ✓ Less time waiting for appointments, sitting in waiting rooms or feeling rushed by doctors

Patina addresses your total health and well-being, delivering better primary care and the exceptional experience you deserve today — and as you get older.

when and where you need it

With Patina's unique virtual-first approach, you'll always have fast and convenient access to care that comes to you on your terms. Right from the safety and comfort of home or even when you travel.

There's no physical office — access your dedicated care team through video visits, phone, chat and in-person at home whenever needed.

Personal, more convenient healthcare.
And, you can invite loved ones to join visits or chat in our mobile app!

Exceptional care starts with exceptional people

Your Patina care team

Your dedicated care team is led by a **Primary Care Practitioner (PCP)** and a **Patina Health Champion**. We help you stay healthy and support you when you're not feeling well or need help with other health or well-being issues.

Need real-time help with ...

- Scheduling and coordinating the right specialists?
- Connecting to community resources?
- Administrative issues like insurance questions?

As experts in aging and whole-person health, we can take on the legwork. **So you can focus on living your best life!**
